2. The security deposit is refundable by Council, less any deduction for outstanding accounts etc, at the conclusion of this agreement and the return of the proximity reader.
3. The use of the proximity reader will record the amount of water drawn by each user and accounts for the water so supplied will be forwarded to the user by the Council on a monthly basis.
4. The account for water used will be at the rate per kilolitre as determined by Council in its annual budget.
5. The user will be allowed **14 days** in which payment of the account is to be made.
