Section 4 - Details of Enclosure

Please sketch the subject enclosure area for your poultry and include distance from neighbouring premises and road frontage.

Section 5 - Prescribed Criteria

In general terms Council laws restrict the keeping of animals throughout the City including poultry under the following circumstances.

ANIMAL	PRESCRIBED CRITERIA		PRESCRIBED ANIMAL
Class of animal	Area of prescribed premises (m ²)	Maximum number of animals that may be kept on prescribed premises without a permit granted under <i>Local Law No 4 (Animal Management) 2002</i>	Maximum number of animals that may be kept on prescribed premises with a permit granted under <i>Local Law No 4 (Animal Management) 2002</i>
Poultry being duck, geese, guinea fowl, turkeys, chickens and hens	0 - 600	No animals may be kept on prescribed premises	Not applicable
	601 - 1200	The animals kept on prescribed premises must number no more than 6.	The animals kept on prescribed premises: (a) number less than 13; and (b) are not being kept at a density greater than 1 poultry per 100m ² of the prescribed premises.
	1201 - 2000	The animals kept on prescribed premises must number no more than 12.	The animals kept on prescribed premises: (a) number less than 21; and (b) are not being kept at a density greater than 1 poultry per 100m ² of the prescribed premises.
	> 2000	The animals kept on prescribed premises must number no more than 20.	Not applicable

A prescribed enclosure for poultry kept on prescribed premises shall be an enclosed space which:

- (a) is constructed:
 - (i) so as to be capable of preventing the escape of the animal from the enclosure; and
 - (ii) so that it can be hygienically maintained in accordance with the prescribed criteria; and
- (b) is not within:
 - (i) two (2) metres of a side or rear boundary of the prescribed premises; and
 - (ii) ten (10) metres of a dwelling unit developed on premises (other than the prescribed premises); and
 - (iii) ten (10) metres of a road.
- (c) has a minimum area of one (1) square metre per animal.

In granting a permit, it is a requirement of Council for suitable enclosures to be provided which will minimise nuisance to other residents as a result of keeping the animals.

Where a Permit is approved by Council, conditions may be applied in respect to standards of hygiene and animal welfare. Council may also revoke (cancel) a Permit where Permit conditions are not complied with.

Section 6 - Application Charge

NIL CHARGE

I make this application in the belief that the above information is true and correct.
