

# Greater Springwood MASTER PLAN

**Logan City Council has endorsed the Greater Springwood Master Plan, providing a blueprint for the area over the next 20 years and setting the scene for Springwood to be developed into the city's premier commercial centre.**

Covering 480 ha, it includes a core business precinct and reaches as far north as Underwood and Rochedale South, west to Woodridge and Slacks Creek, and south to Daisy Hill.

The master plan allows for significant growth in jobs, office space, commercial buildings, retail space and residential buildings plus more alfresco dining in the business precinct and an art gallery, theatre and dance facility. To cater for the growing workforce, an expansion to Springwood Park, two new town squares, improved pedestrian connectivity and major road upgrades are planned.

Council thanks those residents who provided input into the plan during community consultation in June and July and during discussions in recent years.

A reference copy of the report is available at the Logan North Library or on Council's website at [www.logan.qld.gov.au](http://www.logan.qld.gov.au) under Have Your Say/ProjectsOpenForFeedback/Local Plans.
