CONDITIONS OF APPLICATION

Applicant's Obligations

The Applicant and Burial Right Holder must comply with all rules or regulations which may apply to the operation of the cemetery. Council may vary its rules and regulations at any time and in any manner it deems appropriate.

Burial Rights

Graves (and Ashes Memorialisation in gravesite)

The purchase of a new grave acquires a Burial Right to a particular grave. The Burial Right is a right to be buried in that grave and the right to authorise the burial of others in the grave (up to the number permitted in that grave as determined by Council from time to time).

The Right may not be sold; is not transferable or transmissible by death. A Burial Right for a gravesite may be surrendered to Council. Upon surrender Council will pay the Burial Right Holder of a gravesite or their estate an amount no greater than 80% of the original purchase price of the grave.

On the death of the Burial Right Holder the authority to authorise burials in a grave reverts to Council. Council will permit, in its absolute discretions, a spouse, child, partner, relative, direct descendant, legal representative or friend of the Burial Right holder to be buried in the grave provided however that it has no reason to believe that the Burial Right Holder would have objected.

NB: Under no circumstances is a person permitted to enter into a gravesite to carry out works without the written approval from Council, to ensure the Workplace Health and Safety Act provisions are complied with.

Ashes memorial Garden or Columbarium Wall (Niche)

A burial right for an ashes site may be surrendered to Council with no refund applicable. Council shall maintain a niche for a period of seventy (70) years from the time it is first used for the disposal of ashes. After the expiration of seventy (70) years, Council may remove a niche and demolish a columbarium or garden of remembrance. Unless claimed by a descendant of the deceased person, Council shall bury free of charge, the contents of niches and inscription plates in a general Garden of Remembrance.

Plaques and Plaque Bases

All plaques and bases for lawn cemeteries must be installed by Council. Flat granite/marble bases for lawn graves may be supplied by monumental masons (provided bases are to Council's specifications).

Council accepts no responsibility for the maintenance of any monument that may be constructed on the grave. The monuments will always remain the responsibility of the Burial Right Holder or his or her family and descendants. Council reserves the right to remove any monument (after due notice to family or descendants) the condition of which renders it dangerous to cemetery staff or visitors.

Permission for Interments at Chambers Flat, Logan Village, Maclean & Parkhouse

Subject to the existing Beaudesert Shire Council Policy (H1.6.1 dated 19.05.92) for Cemeteries and Graves, only residents living in the (former Beaudesert Shire Council area) or who have direct descendants interred in these cemeteries, will be permitted to be interred. Council will be upholding this Policy until further notice.

PLEASE NOTE: Council acts in good faith when it relies on advice provided by the Applicant/s and does not accept any responsibility for allowing a burial that might be the subject of a later dispute between family members.

I accept the above conditions of this application:
