

# EnviroGrants

## WHAT ARE SOME EXAMPLES OF PROJECTS FUNDED IN THE PAST?

- Environmental Education - Boronia Heights State School. Students attended environmental camps and workshops to learn about sustainability and lessening their impact on the environment.
- Private landholders have completed projects on weed management and habitat restoration for native wildlife.
- Environmental Surveys and Research - Bird Observer's Club of Australia (Brisbane/Gold Coast Branch) undertook bird surveys and monitoring within Logan City's wildlife corridors.

## NEED MORE INFORMATION?

For more information on the EnviroGrants program, to discuss your project, or to obtain an EnviroGrant Application Form, please contact Logan City Council.

[www.logan.qld.gov.au](http://www.logan.qld.gov.au)  
Phone - (07) 3412 3412; or  
Email - [environment@logan.qld.gov.au](mailto:environment@logan.qld.gov.au)

[www.logan.qld.gov.au](http://www.logan.qld.gov.au)

Through community awareness and participation, we aim to enhance and protect Logan's natural environment and foster environmentally sustainable practices in Logan.

# EnviroGrants

## WHAT IS THE LOGAN CITY ENVIROGRANTS PROGRAM?

The Logan City EnviroGrants program:

- offers grants of up to \$5,000 per year, per project
- offers a recurrent funding option whereby you can apply for up to \$5,000 per year, per project for up to 3 years
- is for people who want to achieve positive local environmental outcomes.

## WHAT TYPES OF PROJECTS ARE ELIGIBLE FOR LOGAN CITY ENVIROGRANT FUNDING?

To be considered for EnviroGrant funding, projects must occur within Logan City and relate to one or more of the following categories:

- Environmental projects on privately owned/non-Council controlled land (eg. planting, weeding, erosion control, etc.)
- Environmental projects on Council controlled land (eg. planting, weeding, erosion control, etc.)
- Environmental education, marketing and communication projects
- Environmental surveys and research (eg. water quality monitoring, flora and fauna surveys, etc.)
- Sustainability projects for small business, which demonstrate energy savings and new technologies

## WHO CAN APPLY FOR AN ENVIROGRANT?

- An individual
- A team of individuals
- An educational institution
- A P&C Association
- A not-for-profit community group
- An organisation

## HOW DO I APPLY FOR AN ENVIROGRANT?

- Carefully read through the EnviroGrant Information Pack.
- Submit an EnviroGrant Application Form to Council before the funding round closes. See Council's web site for the current closing date. [www.logan.qld.gov.au](http://www.logan.qld.gov.au)
- For faster processing of your application please use the online application form and email it to Council.
- The assessment panel will assess all applications received and notify you of the outcome.
