

# PRELIMINARY ADVICE OF UPCOMING ROAD WORKS

## Millstream Road Reconstruction Project - Mount Lindesay Highway to Heritage Road, Jimboomba

On behalf of the City Roads and Water Committee Chair Councillor Phil Pidgeon and Division 11 Councillor Trevina Schwarz, Council is proud to provide preliminary advice of upcoming road works at Millstream Road, Jimboomba.

### WHAT IS HAPPENING?

Logan City Council is preparing to carry out road reconstruction works on Millstream Road, from the Mount Lindesay Highway to approximately 100m past Heritage Road, at Jimboomba.

The existing road has reached the end of its design life and needs to be replaced. Reconstruction works will strengthen the road and improve safety for all users.

### WHEN IS IT HAPPENING?

Construction activities are scheduled to commence in May 2018 and are expected to be completed in December 2018, pending weather and construction conditions.

Construction works will generally be carried out from 6.30am to 4.30pm Monday to Friday, with some weekend works conducted as needed.

### WHAT CAN I EXPECT?

Council is currently planning the traffic management arrangements that will operate during the works. It is proposed that works will be carried out progressively in three stages, commencing from Heritage Road and working towards the Mount Lindesay Highway (see the map overleaf).

It is planned that two-way traffic is maintained for the duration of the works via a combination of traffic control and temporary traffic signals during construction working hours.

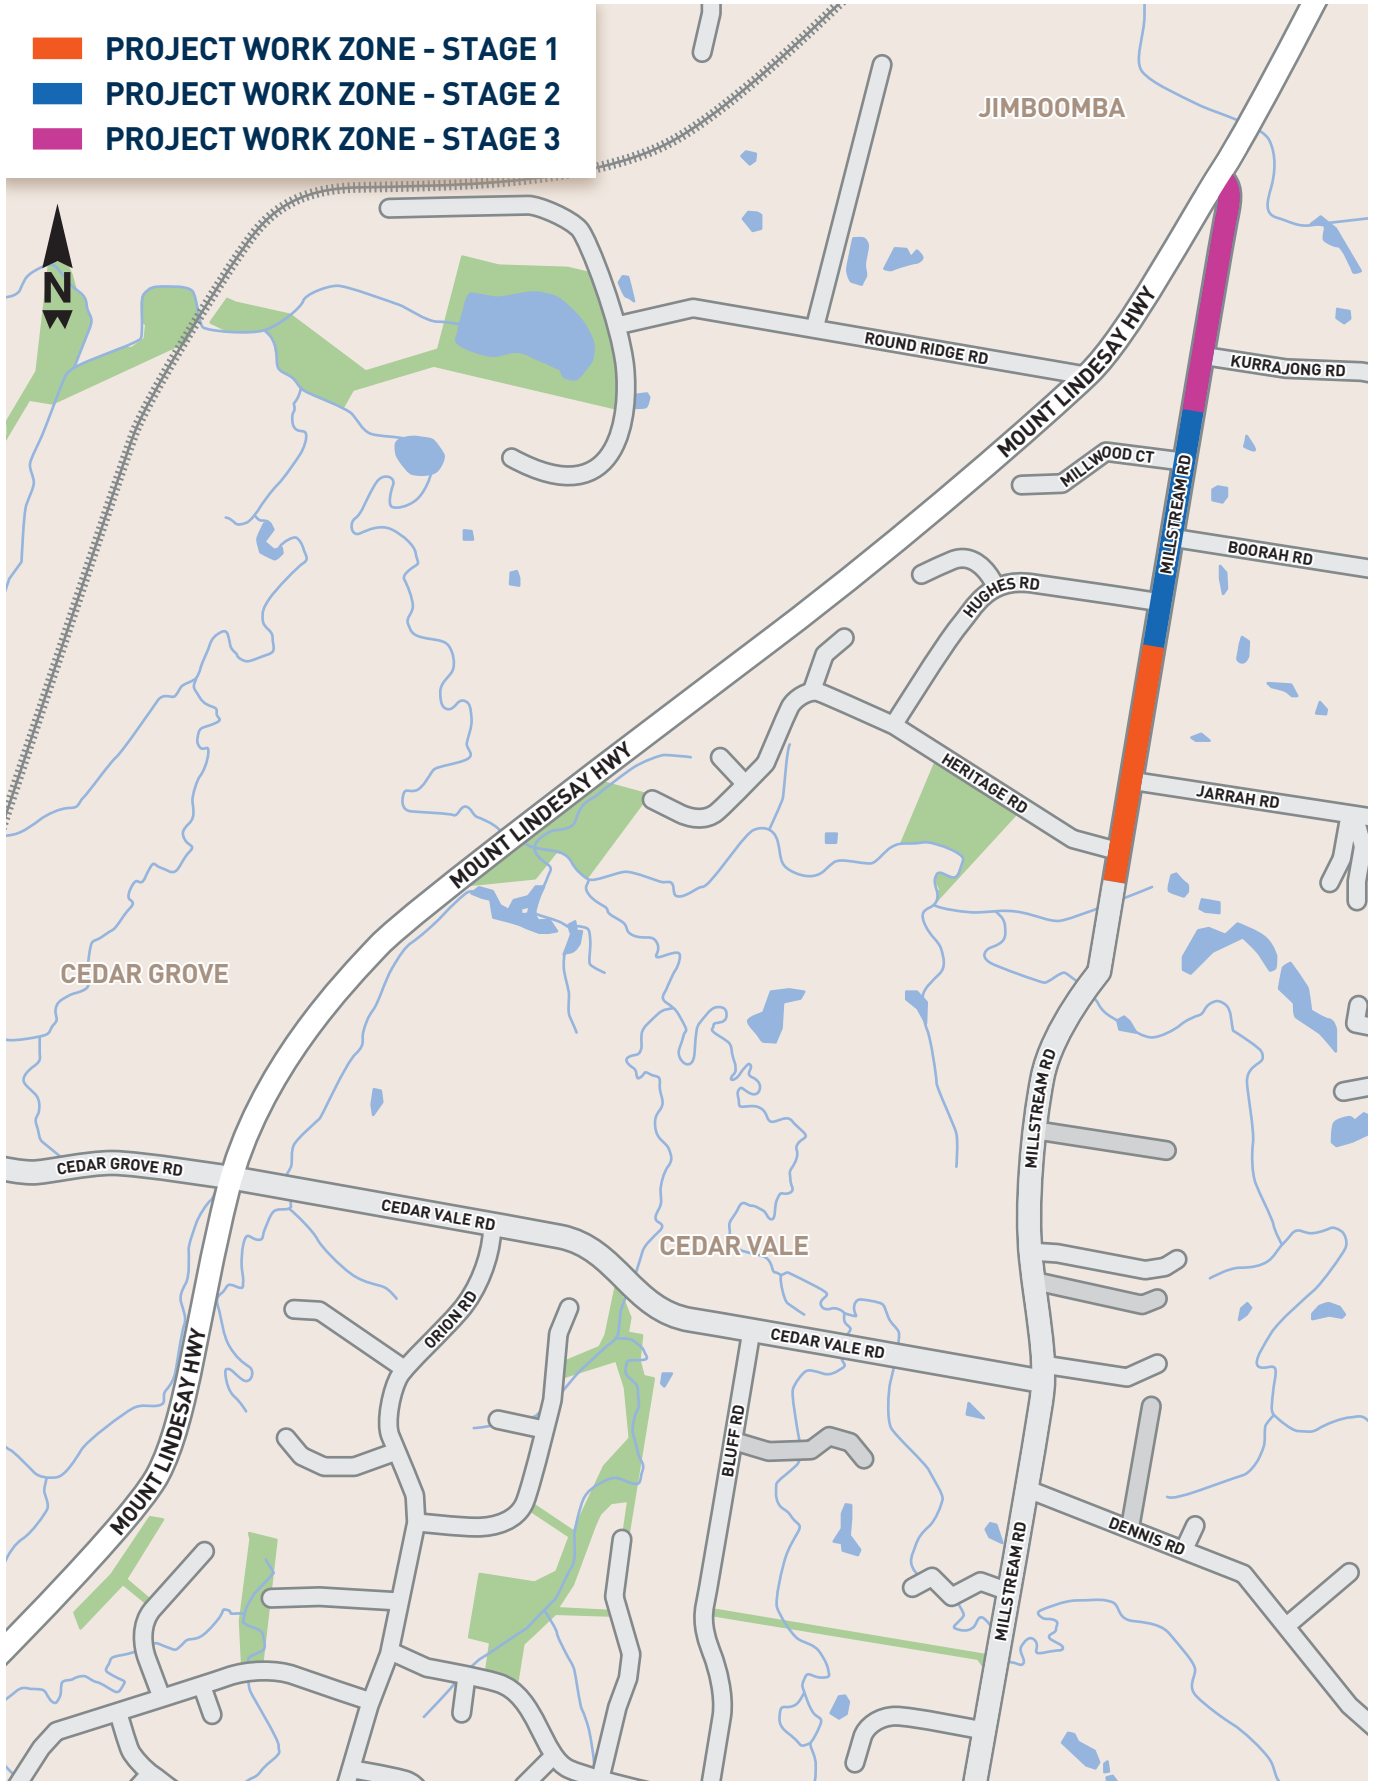

### CONTACT US

If you have any suggestions or concerns regarding the proposed traffic arrangements, please phone the community team on 07 3412 9722 or email [community@loganwia.com.au](mailto:community@loganwia.com.au).

Further information on the project will be provided prior to construction commencing. Council thanks you in advance for your understanding and cooperation during these essential works.
