

Logan City Council **NOTICE OF WORK**

NOV 2018 - APR 2019

ROADWORKS – BARNES ROAD, CEDAR VALE

On behalf of the Roads and Water Infrastructure Committee Chair Phil Pidgeon and Division 11 Councillor, Trevina Schwarz, Logan City Council is proud to announce the commencement of the Barnes Road, Cedar Vale - Pavement Rehabilitation Project.

ACTIVITIES

Project works include:

- Minor road widening and reconstructing of the road;
- Resurfacing the road;
- Installing road drainage infrastructure;
- Reinstating Linemarking.

LOCATION

The works will be undertaken on Barnes Road from Millstream Road to Trewin Road South (refer to the map overleaf).

TIMING

The vegetation removal has been completed and roadworks are planned to commence in November 2018 and should be completed by the end of April 2019, weather and construction conditions permitting. Works will generally be undertaken between the hours of 6:30am and 4:00pm, Monday to Friday.

WHAT TO EXPECT

Council will make every effort to minimize disruption to the community during these works. All works will be undertaken in accordance with relevant safety, communication and environmental management plans.

Due to the nature of the works, some localised construction impacts may be experienced. These may include:

- increased levels of noise, dust and vibration adjacent to the construction site; and
- increased truck movements to and from the work site to deliver material and equipment and remove excavated material.

Some temporary traffic changes are also expected. These will include:

- **Barnes Road will be temporarily closed to through traffic (around the work zone area) during construction work hours (6:30am to 4:00pm).**
- **Reduced speed limits.**

Access to private properties will be maintained at all times. Drivers are advised to allow extra time to complete their journey.

We appreciate your patience as we undertake these necessary works. If you have any questions or would like to discuss these works, please contact the project's Community Engagement Officer on (07) 3412 4803.
