Application for Private Works & other works Water 2019/20

Advice to applicant on Developer Delivered connections:

Refer Frequently asked Questions on Logan City Council website logan.qld.gov for more information

To support your application for Developer Delivered works you **MUST** supply the following information with this application:

- An RPEQ, Council approved plan of proposed works, as revised, clearly showing the connection in detail e.g. design detail, longitudinal section for alteration to existing infrastructure etc.
- A copy of the contractor's safe work method statement (SWMS) for each activity to be carried out.
- A copy of the contractors risk assessment for each activity to be carried out.
- Emergency contact details for applicant and contractor.
- Proof of contractor's accreditation, credentials and competencies.

You **MAY** also be required to supply the following information:

- Proof of public liability insurance etc.
- Written permission to access private property, public land e.g. parks, where applicable.
- Quality assurance – internal work procedures (as required).
- Traffic Control Management plan where applicable.
- Environmental management plan, including tree preservation, where applicable.
- Removal of spoil and fire ant risk management plan, where applicable.
- Asbestos removal authorisation and transportation provision including training documentation, where applicable.
- Confined space training records, including First Aid training for all staff attending the site.
- Trenching and excavation procedures, where applicable

Where possible all works to be performed within normal business hours e.g. 8am to 4pm. An additional fee for works outside normal hours will be advised to the applicant where applicable. Note network constraints may require works to be carried out after normal working hours.

The applicant for these works remains solely responsible for all aspects of safety, construction practices and personnel on site during the construction of the "Live Connection". A 12 month defect liability will apply to any works undertaken by private contractors.

Following review of an application for Developer Delivered works a decision notice will be issued and any conditions applicable to the request including fees will be nominated therein.

Following review of an application for Logan City Council delivered works you will receive a quotation to undertake works at a fixed price and a tax invoice/receipt will be issued at time of payment. Logan City Council reserves the right to amend the price should any of the exclusions be encountered during construction of the works or in the event that the scope of works change.

This application must undergo a review process, and therefore the completion of the form and/or payment of any associated fee does not signify that the application has been granted. Further written conditions may be negotiated between the applicant and Logan City Council, and that failure to provide true and accurate information may result in work not being completed and/or surcharge being levied. This application may require approval from the Development Assessment Branch of Logan City Council. Once all development requirements have been met Water Operations Branch will schedule works for commencement.

I/We acknowledge Logan City Council will require clear access free of all obstructions including a separate and distinct designated workplace to access Logan City Council infrastructure and complete the requested works at the designated property.
