CHILDREN

14th most popular activity for children

8.6% Bush Walking

AVERAGE PARTICIPATION

1 time a fortnight

Average session length

7th highest Council facility used (34.9%)

Note:

To better understand community physical levels, Logan City Council conducted a survey in November and December 2015. Data was gathered on organised and unorganised sport, recreation and physical activity. The above results were collated by the AEC Group from responses of 74 Logan residents 15 years old and over, participating in 'bush walking'.
