

Summary of 2017/2018 Initiatives, Activities & Events

Throughout 2017/2018, Council's Community Safety Program engaged with more than 300,000 members of the Logan community through a variety of mediums including, face-to-face interactions at forums, conferences and community events and social media.

The majority of the below events and activities, whilst held in specific divisions, were open to the wider Logan community, with the exception of some targeted initiatives, which were aimed at a particular crime, location or demographic.

Initiative/ Event/ Activity	Purpose	Divisions & Suburbs (if applicable)
Safe City Logan perceptions videos	The videos were developed as a way of sharing the real story of crime and safety in the City of Logan with the community and empowering individuals to empower themselves with the facts.	N/A
Phone Down #Eyes Up campaign	To raise awareness amongst Logan youth of the importance of putting their phone down and keeping their eyes up when out and about to reduce their vulnerability to theft. The initiative was in response to an increase in the number of robbery offences involving the theft of smart phones, happening around key Logan transport hubs, where youth were the victims.	N/A
