Under Logan City Council's animal keeping laws, the allowable number of sulphur crested cockatoos and galahs varies, depending on the size of your property.

Property size (square metres)	Allowable number
0 to 600	0
600+	Up to 100 birds at a density of no more than one pair of sulphur crested cockatoos and galahs per 600 square metres without Logan City Council approval

Enclosure requirements

Enclosures must be maintained in a tidy state and cleaned once a week as a minimum and constructed in such a way to:

- prevent the escape of the sulphur crested cockatoo or galah from the enclosure;
- be hygienically maintained;
- be at least two metres from a boundary fence line and;
- be at least 10 metres from a neighbouring dwelling

General requirements

The owner and keeper must ensure that keeping the bird/s does not result in:

- faeces build up
- breeding or harbouring of flies or vermin
- damage to property
- harm to human health or safety or personal injury
- nuisance
- significant disturbance, inconvenience or annoyance to a person's enjoyment of their place of residence

Approvals
