**Enclosure requirements**

Enclosures must be maintained in a tidy state and cleaned once a week as a minimum and constructed in such a way to:

- prevent the escape of the sulphur crested cockatoo or galah from the enclosure;
- be hygienically maintained;
- be at least two metres from a boundary fence line and;
- be at least 10 metres from a neighbouring dwelling

**General requirements**

The owner and keeper must ensure that keeping the bird/s does not result in:

- faeces build up
- breeding or harbouring of flies or vermin
- damage to property
- harm to human health or safety or personal injury
- nuisance
- significant disturbance, inconvenience or annoyance to a person's enjoyment of their place of residence

**Approvals**

To apply for an approval or download an application form, visit www.logan.qld.gov.au or phone 3412 5397.

**Development Approvals**

Assessment is required under Council’s planning scheme to keep more than the approved numbers, as this is considered a development activity.

Licensing requirements may also exist under Logan’s Licensing Local Law or state law.

Local Law No. 4 (Animal Management) 2002 and Subordinate Local Law No. 4.1 (Animal Management) 2002 provide residents with consistent rules and recognise our urban, rural and semi-rural lifestyles.
