For the purposes of section 22B(1) (How cat is registered) of *Local Law No. 4 (Animal Management) 2002*, the owner of the cat must—

- (a) give the local government a registration form in the prescribed form (the *registration form*); and
- (b) give all of the information required by the registration form; and
- (c) ensure the registration form is accompanied by—
 - (i) the registration fee for the cat; and
 - (ii) any documents which are reasonably required to support the information required by the registration form or payment of the registration fee; and

Example of documents to support payment of the registration fee in subsection (ii)—

If there is a discounted registration fee for pensioners or members of certain professional organisations, sighting of an eligible concession card or membership card.

- (d) if the registration fee varies based on whether the cat is desexed and the cat is desexed—
 - (i) ensure the registration form is accompanied by—
 - (A) a signed veterinary surgeon’s certificate stating it has been desexed; or
 - (B) a registration notice from another local government which records that it has been desexed; or
 - (ii) ensure that, before the registration form is given to the local government, the cat has been presented to an authorised person for confirmation that it has been desexed.

36 Renewal of registration requirements

- (1) For the purposes of section 22E(1) (Renewal of registration) of *Local Law No. 4 (Animal Management) 2002*, the owner of the cat must—
 - (a) pay the registration fee for the cat that has been prescribed for the following period of registration; and
 - (b) if the registration fee varies based on whether the cat is desexed and the cat is desexed—
 - (i) ensure the fee is accompanied by—
 - (A) a signed veterinary surgeon’s certificate stating it has been desexed; or
 - (B) a registration notice from another local government which records that it has been desexed; or
 - (ii) ensure that, before the registration fee is paid, the cat has been presented to an authorised person for confirmation that it has been desexed; and
 - (c) ensure the registration fee is accompanied by any documents which are reasonably required to support payment of the registration fee; and

Example of documents to support payment of the registration fee in subsection (c)—

If there is a discounted registration fee for pensioners or members of certain professional organisations, sighting of an eligible concession card or membership card.
 - (d) if a renewal notice is issued by the local government and any information on the renewal notice has changed (***changed information***), give the local government—
 - (i) notice of the changed information in the prescribed form; and
 - (ii) any information or documents to enable the local government to record the changed information in the cat register; and
 - (e) if a renewal notice is issued by the local government and the renewal notice requires additional information to be given, give the local government the additional information in the prescribed form.
- (2) Despite subsection (1)(b), the evidence that the cat has been desexed need not be provided if the evidence has already been provided to the local government.

37 Circumstances where local government can require further information or documents

For the purposes of section 22F(1) (Local government may require further information or documents) of *Local Law No. 4 (Animal Management) 2002*, the specified circumstances are where the owner gives the local government—

- (a) a registration form; or
- (b) notice of changed information under section 22D (Amendment of registration) of *Local Law No. 4 (Animal Management) 2002*; or
- (c) notice of changed information under section 36(1)(d) (Renewal of registration requirements); or
- (d) additional information under section 36(1)(e) (Renewal of registration requirements).
