

Logan City Council

NOTICE OF WORK

JAN – JUN 2019

ROADWORKS – NASH ROAD, JIMBOOMBA

On behalf of the Roads and Water Infrastructure Committee Chair and Councillor for Division 9 Phil Pidgeon, Logan City Council is proud to announce the commencement of the Nash Road, Jimboomba Pavement Rehabilitation Project.

ACTIVITIES

Project works include:

- Strengthening, reconstruction and resurfacing of the road surface with sprayed bitumen;
- Replacement of driveways and associated drainage pipes where road levels are altered;
- Replacement of under road storm water pipes at the corner of Nash Road and Maryland Street
- Installation of rubble drains to control under road moisture;

LOCATION

The works will be undertaken on Nash Road Jimboomba from Lot No. 90 -98 through to the Maryland Street intersection.

TIMING

Works are planned to commence in late January and should be completed by June, weather and construction conditions permitting. Works will generally be undertaken between the hours of 6:30am and 4:00pm, Monday to Friday.

WHAT TO EXPECT

Council will make every effort to minimize disruption to the community during these works. All works will be undertaken in accordance with relevant safety, communication and environmental management plans.

Due to the nature of the works, some localised construction impacts may be experienced. These may include:

- Increased levels of noise, dust and vibration adjacent to the construction site; and
- Increased truck movements to and from the work site to deliver material and equipment and remove excavated material.

Some temporary traffic changes are also expected. These will include:

- **The work area on Nash Road will be closed to all through traffic.**
- **Residents on Nash Road can access their properties from the Carrum Road end (Please see attached Map). Please follow Detours in place during the construction period.**

Access to private properties will be maintained at all times. Drivers are advised to allow extra time to complete their journey.

We appreciate your patience as we undertake these necessary works. If you have any questions or would like to discuss these works, please contact Council's Construction Coordinator on (07) 3412 5436 or by email to roadmaintenance@logan.qld.gov.au.
