1 time
a week

9th most popular activity for adults

4.2% Yoga

Average session length

2nd highest Council facility used (45.7%)

RESTRICTED ACTIVITIES

5th highest activity that residents would like to participate in more.

Note:

To better understand community physical levels, Logan City Council conducted a survey in November and December 2015. Data was gathered on organised and unorganised sport, recreation and physical activity. The above results were collated by the AEC Group from responses of 31 Logan residents 15 years old and over, participating in 'yoga'.
