

Logan City Council

NOTICE OF WORK

JANUARY 2019

SPRAY SEAL WORKS – MALOO COURT, LOGAN VILLAGE

On behalf of the City Roads and Water Committee Chair Councillor Phil Pidgeon, and Division 4 Councillor Laurie Koranski, Logan City Council is proud to announce the commencement of spray seal works at Logan Village.

WHAT IS HAPPENING?

Localised road spray seal works will be carried out to resurface Maloo Court at Logan Village (see map overleaf).

The works are funded from Council's 2018/19 Capital Roadworks and Drainage Program, which provides a total budget of approximately \$120 million for roadworks and drainage construction.

Council has appointed Fulton Hogan Industries Pty Ltd to carry out these works.

WHEN IS IT HAPPENING?

Spray sealing works are scheduled to occur during the week commencing 29 January 2019 and are expected to take one working day to complete, weather and site conditions permitting.

Works will be conducted from 7.00am to 6.00pm.

Council's contractor will return shortly after to complete any line marking and general finishing works as required.

WHAT CAN I EXPECT?

Council and its contractor will make every effort to minimise disruption during these works. However, some localised construction impacts will occur such as:

- Changed traffic conditions including reduced speed limits and traffic lane closures. Site representatives will be available during construction working hours to assist motorists as required.
- Temporary traffic congestion during working hours. Motorists are advised to plan their journey and allow extra travel time (where practical).
- Existing road functions will be reinstated at the end of each shift to accommodate traffic flows.
- Temporary driveway access restrictions at times. Affected residents will be notified in advance to ensure works are coordinated appropriately.
- Increased levels of noise, dust and vibration at times. Contractors will implement measures to reduce these impacts as much as practical.
- Council's contractor will provide additional notifications to affected residents prior to the commencement of the works.

FOR MORE INFORMATION

For more information about these works, please contact the project's community engagement team on (07) 3412 4803 or email community@loganwia.com.au.
