Council reserves the right to refuse to accept waste at any of its facilities and direct commercial or hazardous waste to be taken to alternative facility. Council may also request that waste is presented in a acceptable manner for disposal eg. bagged or wrapped.

DEFINITIONS

Car - includes sedan, station wagon, 4x4 wagon, SUV, passenger van or any other vehicle carrying minimal loads.

Utility - means a light motor vehicle featuring a separate cabin/rear load area where the gross mass of the vehicle is <4.5 tonnes (includes dual cab utilities).

Commercial Van - means a van that has its rear passenger seats removed.

Low Hazard Regulated Waste - includes food processing waste, poultry processing waste, fish processing waste, low level contaminated soils, shredded tyres.

Commercial - means any type of waste that has been generated as part of a service that has been undertaken for fee or reward, regardless of whether the person delivering that waste to the transfer station is a Logan resident or not.

Green waste - means grass cuttings, bushes, trees, shrubs, loppings of trees, bushes, shrubs or similar matter. It does not include timber processed products (such as fencing, pallets, posts, wall/floor, sheeting etc). Timber processed products will be charged at construction and demolition rates.

TRANSFER STATION ACCEPTANCE AND CHARGING POLICY

Browns Plains – charges will be based on weight where applicable. Public Weighbridge only available Monday to Friday 9am - 12pm and 1.30pm - 3.30pm.

Carbrook - charges will be based on weight where applicable. Commercial general waste and construction and demolition waste will only be accepted if delivered in vehicles less than 4.5 tonne tare mass (ie. An average car, station wagon, utility or 4WD with or without a trailer).

Greenbank – charges will be based on cubic metre estimation by Council staff where applicable. Vehicles greater than 4.5 tonne are not permitted to deposit waste at this site.

Logan Village - charges will be based on cubic metre estimation by Council staff where applicable. Vehicles greater than 4.5 tonne are not permitted to deposit waste at this site.

Beenleigh - charges will be based on cubic metre estimation by Council staff where applicable. Vehicles greater than 4.5 tonne are not permitted to deposit waste at this site. No commercial waste of any type accepted. No loads of construction and demolition waste greater than 2 cubic metres accepted.

Tree stumps – means any woody vegetation that has a diameter of greater than 40cm. Only accepted at Browns Plains. Tree stumps will be charged at construction and demolition rates.

Clean Fill/Soil/Dirt – Charged at construction and demolition rate and only accepted at Browns Plains.

ASBESTOS ACCEPTANCE POLICY

Asbestos can only be accepted at the Browns Plains Landfill and must meet following requirements:

1. Notify Council by phone 30 minutes prior to delivery on (07) 3412 4233;
2. Asbestos must be at least double wrapped in durable air tight plastic;
3. Unless load is delivered by tipping type vehicle, all wrapped bundles must be of a size manageable by 1-2 persons as Council staff are not permitted to help with unloading due to Workplace Health and Safety reasons.
4. Loads must be delivered between 8am and 3.30pm.
5. Regulated Waste Tracking certification must be completed by all commercial customers (regardless of quantity).
