

## Domestic Animal Keeping Fact Sheet

### POULTRY

(not otherwise mentioned)

Local Law No. 4 (Animal Management) 2002 and Subordinate Local Law No. 4.1 (Animal Management) 2002 provide residents with consistent rules and recognise our urban, rural and semi-rural lifestyles.

www.logan.qld.gov.au  
December 2011

**Under Logan City Council's animal keeping laws, the allowable number of poultry varies, depending on the size of your property.**

		Maximum of 100, with more than one bird per 30 square metres with Logan City Council approval

## Enclosure requirements

Enclosures must be maintained in a tidy state and cleaned once a week as a minimum and constructed in such a way to:

- prevent escape
- be hygienically maintained
- be at least 90 centimetres from a boundary fence line
- be at least 10 metres from a neighbouring dwelling
- be at least 30 metres from a neighbouring dwelling for roosters and peafowl
- have a minimum area of one square metre per bird.

## Approvals

To apply for an approval or download an application form, visit [www.logan.qld.gov.au](http://www.logan.qld.gov.au) or phone 3412 5397.

## Development Approvals

Assessment is required under Council's planning scheme to keep more than the approved numbers, as this is considered a development activity.

Licensing requirements may also exist under Logan's Licensing Local Law or state law.

## General requirements

The owner and keeper must ensure that keeping of poultry does not result in:

- faeces build up
- breeding or harbouring of flies or vermin
- damage to property
- harm to human health or safety or personal injury
- nuisance
- significant disturbance, inconvenience or annoyance to a person's enjoyment of their place of residence
