Section 6 – Eat Safe Logan - Let Your Stars Shine

Will you display your Eat Safe Logan Rating?

Logan City Council conducts a food safety star rating scheme for licensed food businesses in accordance with the Food Safety Rating Guide which can be found on Council's website at <https://www.logan.qld.gov.au/laws-and-permits/business-licensing/eat-safe-logan/forms-tools-and-resources-to-assist-food-businesses>. On a voluntary basis, the scheme allows for the display of information relating to inspections of food premises in the form of star ratings.

If the Licensee holds a current licence, has no outstanding licence fees and has a star rating of 3 stars or more, then the Licensee can voluntarily display the star rating at their premises and on the Eat Safe Logan website. **You can agree to display your star rating by ticking YES for question 4 in section 8 below.**

A Licensee with an Eat Safe Logan star rating 5, 4 or 3 stars is eligible for a discount on their annual licence fee of 20%, 15% or 10% respectively. The discount does not apply if the fee is not paid before the due date listed in the annual notice. Eat Safe Logan star ratings are not issued for Food Stalls, Domestic Water Distribution or Temporary Food Events so these discounts do not apply.

The Licensee consents to the star rating being published on Council's website (to the extent that it discloses confidential information) and indemnifies Council against any claim as a result. The information that will be disclosed on the website may include the trading name, business phone number, site location and the star rating.

The Licensee may revoke its consent by giving Council ten (10) business days notice in writing and within that time, Council must withdraw the rating from its website.

The Licensee may remove its star rating from public display, however must immediately notify Council in writing of such removal. Notifications can be made to: council@logan.qld.gov.au, or

Health, Environment & Waste Branch
Att: Senior Environmental Health Officer
PO Box 3226
LOGAN CITY DC QLD 4114

Once this agreement has been signed by ticking YES for question 4 in section 8 below, the Licensee is entitled to an electronic version of their corresponding Eat Safe Logan star rating logo. An electronic version of the Eat Safe Logan logo may be obtained by e-mailing environmentalhealth@logan.qld.gov.au or contacting the Senior Environmental Health Officer on (07) 3412 3412.

If the Licensee does not hold a current licence, has outstanding licence fees or is rated with less than three (3) stars, then the Licensee must remove the star rating from public display immediately or within five (5) business days from receipt of a notice by Council. If the star rating is not removed from public display, an authorised person employed by Council may enter the premises and remove the star rating.

The star rating material will at all times remain the property of Council and the intellectual property of Brisbane City Council.

Any variation to this Agreement must be agreed to in writing between the Licensee and Council.

By signing this agreement, you are also agreeing to the Eat Safe Logan 'terms and conditions of use' (refer to Section 7).

If you choose not to sign this agreement and you display Eat Safe Logan star rating material you may face legal action.
