7. Note

Where possible all works to be performed within normal business hours e.g. 8am to 4pm. An additional fee for works outside normal hours will be advised to the applicant where applicable. Network constraints may require works to be carried out after normal working hours.

The applicant for these works remains solely responsible for all aspects of safety, construction practices and personnel on site during the construction of the "Live Connection". This application must undergo a review process, and therefore the completion of the form and/or payment of any associated fee does not signify that the application has been granted. Further written conditions may be negotiated between the

applicant and Logan City Council, and that failure to provide true and accurate information may result in work not being completed and/or surcharge being levied.

8. Permission

I/We make application as Owner or Authorised Agent duly authorised by the owner (signed consent form to be provided if requested by Logan City Council).

I/We acknowledge Logan City Council will require clear access free of all obstructions including a separate and distinct designated workplace to access Logan City Council infrastructure and complete the requested works at the designated property

I have provided all information as requested and acknowledge that this application will not proceed if all relevant information has not been provided.
