NOTICE OF WORK

NOVEMBER 2019

ASPHALT RESURFACING WORKS – ALICE ST, CREST TCE ADELAIDE CCT & TWEEDLAND CRES, BEENLEIGH

Logan City Council is proud to announce the commencement of asphalt resurfacing works at Alice Street, Crest Terrace, Adelaide Circuit and Tweedland Crescent, Beenleigh.

WHAT IS HAPPENING?

Localised road pavement repairs and asphalt resurfacing works will be carried out at Alice Street, Crest Terrace, Adelaide Circuit and Tweedland Crescent in Beenleigh (see map overleaf).

The works are part of a program that includes resurfacing over 200 streets across the City and is funded from Council's 2019/20 Capital Roadworks and Drainage Program.

Council has appointed Downer EDI Works Pty Ltd to carry out these works.

WHEN IS IT HAPPENING?

Construction is scheduled to occur in November 2019. The works will be carried out progressively over three days, weather and site conditions permitting.

Construction activities will be conducted between the hours of 7.00am and 6.00pm.

Council's contractor will provide a separate notification to affected residents to confirm the timing of the works prior to commencement.

Following completion of the asphaltting works, Council's contractor will return to complete any line marking and general finishing works as required.

WHAT CAN I EXPECT?

Council and its contractor will make every effort to minimise disruption during these works. However, some localised construction impacts will occur such as:

- Changed traffic conditions including reduced speed limits, lane / road closures and associated traffic detours. Site representatives will be available during construction working hours to assist motorists as required.
- Variable message boards will be installed prior to works commencing to advise motorists of the changed conditions.
- Temporary loss of street parking and driveway access restrictions at times. Affected businesses and residents will be notified in advance to ensure the works are coordinated appropriately.
- Increased levels of noise, dust and vibration at times. Contractors will implement measures to reduce these impacts as much as practical.

FOR MORE INFORMATION

For more information about these works, please contact the project's community engagement team on (07) 3412 4803 or email community@loganwia.com.au.
