# 1 Procedure Objective

To ensure sound governance and principles guide officers responsible for negotiating or participating in sponsorship and promotional arrangements for and/or on behalf of Council events, programs, activities and facilities.

Through the Community Events Funding Program (CEFP), Council supports community events and programs through sponsorship. This support facilitates community opportunities that complement our corporate and civic events program. It also allows Council to celebrate our community's diversity, energy and creativity.

# 2 Principles

- (a) The following general principles will be adhered to by the Logan City Council's Sponsorship Advisory Group in the development and management of its sponsorship program:
  - (i) A sponsorship arrangement should not impose or imply conditions that would limit, or appear to limit, Logan City Council's ability to carry out its functions impartially.
  - (ii) There should be no real or apparent conflict between the objectives and mission of the sponsor and those of Logan City Council.
  - (iii) Sponsorship of Logan City Council should not involve explicit endorsement of the sponsor or the sponsor's products.
  - (iv) Where sponsorship takes the form of provision of a sponsor's product/service, the product/service should still be evaluated for its fitness for purpose against objective operational criteria relevant to Logan City Council's needs.
  - (v) It is inappropriate for any representative of Logan City Council to receive a personal benefit from a sponsorship of its events, programs, activities and facilities unless such a benefit is deemed to be appropriate in the course of delivering their job role.
  - (vi) In most circumstances, the public interest is best served by making Logan City Council sponsorship opportunities widely known.
- (b) The following criteria will apply to all requests received for incoming sponsorships:
  - (i) Proposals must be in writing setting out details of the request and its purpose.
  - (ii) Council will assess sponsorship proposals to ensure that benefits to the sponsor approximate the tangible and intangible value of the sponsorship.
  - (iii) Council will assess any risks associated with accepting sponsorships including possible perceived benefits to Council suppliers and potential suppliers.
  - (iv) Members of Logan City Council's Sponsorship Advisory Group will declare any possible conflicts of interest when assessing sponsorship proposals.
- (c) The following criteria will apply to all requests received from community organisations for outgoing sponsorships:
  - (i) funding must be allocated in accordance with the Local Government Act 2009, Local Government Regulation 2012 and Council's 'Grants to Community Organisations' policy
  - (ii) requests can be accepted for non-profit and for-profit community-based purposes
  - (iii) political parties are ineligible for funding
  - (iv) requests must be in writing setting out details of the request and its purpose
  - (v) all applicants must be free of debt with the Council
  - (vi) funding must be drawn by cheque or electronic funds transfer
  - (vii) applicants that have applied for, or have already received, funding for the same purpose via any other Logan City Council grant program are ineligible

- (viii) all sponsorships must provide a completed event outcome report (acquittal) outlining the community benefit and provide proof of purchase and/or use of the grant for the prescribed purpose, unless specified in the sponsorship agreement. This proof will involve producing receipt(s) or other documentation. If proof of expenditure for approved purposes cannot be produced, the organisation is to refund the sponsorship monies.
- (ix) In accordance with section 189 of the Local Government Regulation 2012, the responsible branch will keep a register of sponsorships to community organisations for disclosure in Council's annual report.

### **3 Procedure for Sponsoring Council Events and Programs (Incoming Sponsorship)**

- (a) Where appropriate, sponsorship of Council events and programs should be sought by calling expressions of interest or canvassing the wider market.
- (b) Exceptions to this, where it may be deemed necessary to accept an unsolicited offer or renew an existing agreement, may include such instances as:
  - (i) sole/limited supplier situations;
  - (ii) when calling an expression of interest or canvassing other sponsors in the category will threaten the viability of the first offer and/or lead to a lesser end result;
  - (iii) when there is a reason to believe that no other competitor could provide a better offer;
  - (iv) when deadlines prohibit the calling of expressions of interest; or
  - (v) where direct approaches are deemed more effective.
- (c) Sponsorship proposals will be reviewed against predetermined criteria which have been published in advance or which are communicated with the organisations being canvassed for sponsorship, and approved by the Marketing and Events Manager.
- (d) A sponsorship arrangement is a contract and shall be described in a written agreement. The written agreement or contract should clearly set out:

  - (viii) consequences of changes which may occur over time
  - (ix) financial accountability requirements
  - (x) how value-in-kind sponsorship has been estimated (wholesale or retail)
  - (xi) option for renewal
  - (xii) key contact details for both parties
    - a. any relevant tax requirements (such as Goods and Services Tax) payable by either party as determined by the Australian Tax Office
    - b. provisions for termination or suspension of the agreement including detailing the grounds for termination, mediation and compensation
    - c. any special conditions which may apply

- d. review periods and related servicing schedule
  - e. contract execution details e.g. signed and dated by both parties (one record kept with the sponsor and the other with Logan City Council)
- (e) All sponsorship arrangements should be approved by the Marketing and Events Manager with relevant Logan City Council representatives, in a form commensurate with the significance of the sponsorship.
