

2022 City of Logan

Tertiary Education Bursary

Guidelines

The City of Logan Tertiary Education Bursary offers financial support for university students in Logan City. We work with several organisations in south east Queensland to provide financial support to young people in Logan wishing to undertake tertiary studies. Students from families whose own financial resources are limited are encouraged to apply. We award a number of tertiary education bursaries each year. Successful students receive a \$5,000 bursary that is provided in instalments for each semester (or trimester) of a three-year course.

What Criteria do I need to meet?

Applicants for the bursary need to meet these selection criteria:

1. be a resident of the City of Logan
2. attending full time student at a secondary school within or adjacent to the City of Logan, completing grade 12 in 2021
3. intending to enrol in tertiary studies at a Queensland university in 2022
4. must enrol as a full time, on-campus student for at least the first two years of a three-year course, unless an on-campus, accelerated course is studied
5. be likely to have their university offer confirmed by 17 January 2022
6. in need of some financial assistance.

How is the decision made?

All applications that meet the Selection Criteria will be reviewed by a Selection Panel in January 2022. Applications will be rated according to academic ability, educational highlights, motivation to succeed, financial hardship and personal/social circumstances.

Recipients

1. Recipients are not permitted to receive another bursary at the same time. If you receive our bursary and are offered a scholarship or bursary by another organisation, including a university, you must notify Logan City Council. We will award your bursary to another student, who has not received another scholarship or bursary.
2. The bursary can only be used for study at a Queensland University, while you are a student at that university.
3. An annual allocation is available and can be used to purchase textbooks, stationery or other essential items for study.
4. Successful recipients are given payments totalling \$1,750.00 in the first year, \$1,500.00 in the second year and \$1,750.00 in the third year, unless the university course structure is an 'accelerated' format.
5. The bursary will be forfeited if you:
 - a. fail the course
 - b. change to another tertiary institution in another state

- c. change to a lesser tertiary institution that is not a university
- d. change to a lesser course (not a degree course), or
- e. cancel your enrolment in the course.
