Connecting Communities for 20 years

## What is Neighbour Day?

Neighbour Day is Relationships Australia's key social connection campaign. It aims to support and enable sustainable respectful relationships across communities, while also helping to address loneliness.

Celebrations can occur at anytime throughout the year however Neighbour Day is noted annually as the last Sunday in March.

It's the perfect day to connect with existing and new neighbours and build the community you want to live in, one relationship at a time.

Make your Neighbour Day as big or small as you like - a casual cuppa, a picnic in the park or a simple message of support.

Visit [neighbourday.org](https://neighbourday.org) to register your event and to access free resources to help you celebrate.
