

Game On for Women

CLOSING THE
GENDER GAP
IN SPORT

What Game on for Women has to offer:

Logan City Council is committed to supporting Logan women in sport as players, coaches, officials, and leaders.

We know that many women play sport, but they do not play sport as often as men. Women face barriers that can make it more difficult for them to start playing and to stay involved in sport.

Note: The Game on for Women program was developed with the support of the Queensland Government's Active Kit Funding in association with Logan City Council and Brisbane LIONS

The Network

Vision: "A sustained pathway for the holistic growth of women in sport"

- Building strong communities
- We are an inclusive network
- We strive to build inclusive clubs
- Focused on opportunities towards 2032 and beyond

The Network is run by a facilitator and content is guided by participants. The goal is to grow a cohort of women who can share knowledge across clubs and sports. Building connections, strengthen the knowledge and skillset of women.
