

Notice of work

Bambil Street, Balsa Street & Blackbutt Street, CRESTMEAD

October - November 2024

What is happening?

Project works will include:

- Removal and replacement of selected sections of road kerb and channel where required.

When is it happening?

Works are scheduled to commence in October and be completed in November 2024. The timing and duration are subject to weather and construction conditions.

Works will generally occur between 6.30 am to 4.30 pm Monday to Friday. However, some works may occur outside these hours.

What can I expect?

We will aim to minimise disruption during these works. Some localised construction impacts are expected including:

- Changed traffic conditions including reduced speed limits and temporary lane closures during construction working hours. Site representatives will be available to assist motorists as required.
- Increased levels of noise, dust, and vibration adjacent to the construction site. Equipment and materials may be stored on the footpath.
- Roadside parking within the work area will be unavailable at times during construction.

- Any disturbance to the footpath will be restored to the original condition however slight variances to aesthetics are unavoidable until the new turf is established.

The Construction Team will discuss with residents any issues with property access.

We ask you to not walk or drive on the new work for at least 48 hours.

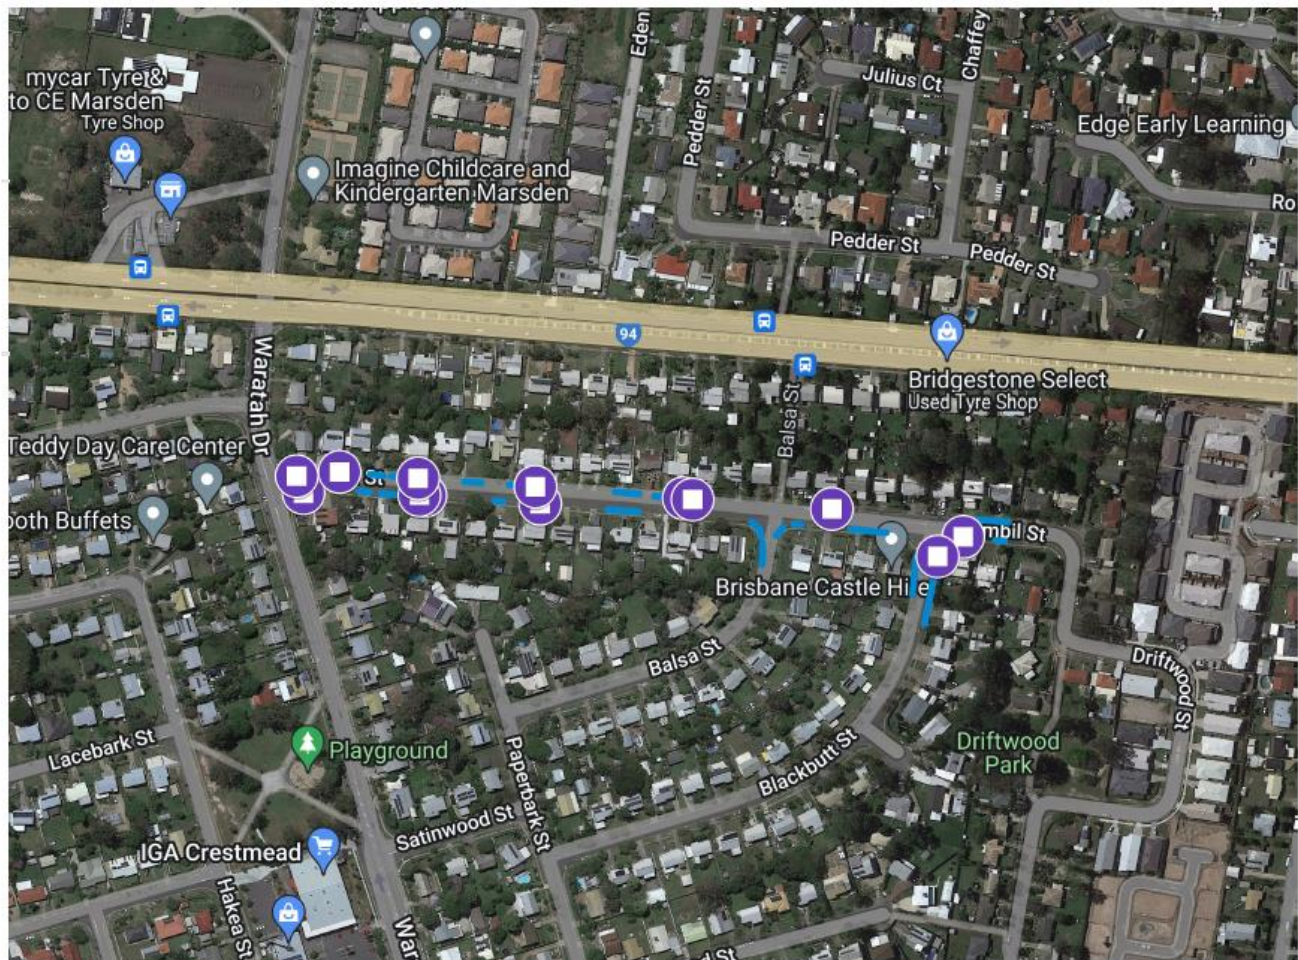

For more information

Council appreciates your patience as we work to improve our road network. For more information about these works, please contact us on (07) 3412 3412 or email rcmcommunications@logan.qld.gov.au
