About the Program

As you will be aware there are currently several health directives and travel restrictions imposed by the Federal Government and the Queensland Government which may have an impact on your nominated event. While the Brisbane Lions and Council wish to continue to support athletes where possible we are also conscious of the administrative burden on both grant recipients and Council if grant payments are made and events subsequently cancelled.

In an effort to manage this, the funding guidelines have been amended and successful applicants will now be paid after the event date. Successful applicants will need to provide evidence that your nominated event was held and submit evidence of payment for expenses incurred using the Acquittal form attached to your Smarty Grants profile.

This process will remain in place for the foreseeable future as we continue to manage the current situation.

The Active People - Travel Assistance funding program provides Logan residents with opportunities to enjoy sport and recreation in the city. Through this program Council may provide grant assistance to apply for funds meeting the following consideration:

- Direct travel and accommodation expenses;
- Compulsory competition fees; and
- Compulsory uniform items.

This Operating Guidelines provide clear parameters and procedures for the administration and allocation of Council funds through this program, including:

- Funds allocation
- Eligibility criteria
- Application and approval process
