2025 Year 7 & 10 School Immunisation Program

### Subheading:

2025 School Immunisation Program is digital

### Body:

In 2025 your school vaccination provider, Logan City Council uses a simple digital system for our School Immunisation Program. This online system has replaced the paper consent card. We'll capture a digital profile and consent for all visits for the year. This consent can be withdrawn by the parents/guardians at any time.
