

Year 7 and 10 School Immunisation Program

**Click Consent Protect**

Dear Parent / Legal Guardian,

The Logan City Council Immunisation team recently visited our school to provide vaccinations to the Year 7 & 10 students as part of the Queensland School Immunisation Program.

**Missed vaccinations**

If your child missed their vaccinations at school, they are still able to receive them for free at any of Logan City Council's community clinics. For clinic locations and to book an appointment, please visit [logan.qld.gov.au/community-immunisation-clinics](https://logan.qld.gov.au/community-immunisation-clinics)

If your child has received these vaccines elsewhere or you do not want them to be vaccinated at school, please contact the Immunisation team on 3412 3412 or email us at [immunisation@logan.qld.gov.au](mailto:immunisation@logan.qld.gov.au) so that we can update our records.

**Provide your feedback**

Logan City Council would love hear your thoughts on the new online consent process - [click the link to complete the feedback form](#)
