

Cinderella Drive Shared Path and Dennis Road Intersections Upgrade

Springwood

We are growing our active travel network and improving road safety.

As one of the fastest growing cities in Australia, our focus is on delivering a sustainable and reliable transport network.

These upgrades mean:

more opportunities for walking and riding

improved access to local routes, shops, businesses, eateries, parks and buses

safer intersections.

What is happening?

We are upgrading the shared path along Cinderella Drive between Springwood Road and Dennis Road, together with intersections on Dennis Road at Cinderella Drive, Barbaralla Drive and Onak Crescent.

By improving our active transport network and providing safer intersections we are shaping a healthier and safer city. This means reduced congestion and more opportunities for recreation, with fewer cars and bike riders interacting on our busy roads.

Project	Dennis Road Intersections Upgrade	Cinderella Drive Shared Path Upgrade
Location	Dennis Road and Cinderella Drive, Dennis Road and Barbaralla Drive, and Dennis Road and Onak Crescent	Cinderella Drive, between Springwood Road and Dennis Road
Benefits	<ul style="list-style-type: none"> > Improved road safety > Better traffic flow > More reliable travel times 	<ul style="list-style-type: none"> > Better off-road paths > Improved access and safety for pedestrians and bike riders > More opportunities for recreation and commuting
Details	<ul style="list-style-type: none"> > New traffic signals > New kerb, channel, and pedestrian ramps > Line marking 	<ul style="list-style-type: none"> > New 2 m – 3 m-wide, 1.22 km shared path > New traffic island > Landscaping and line marking

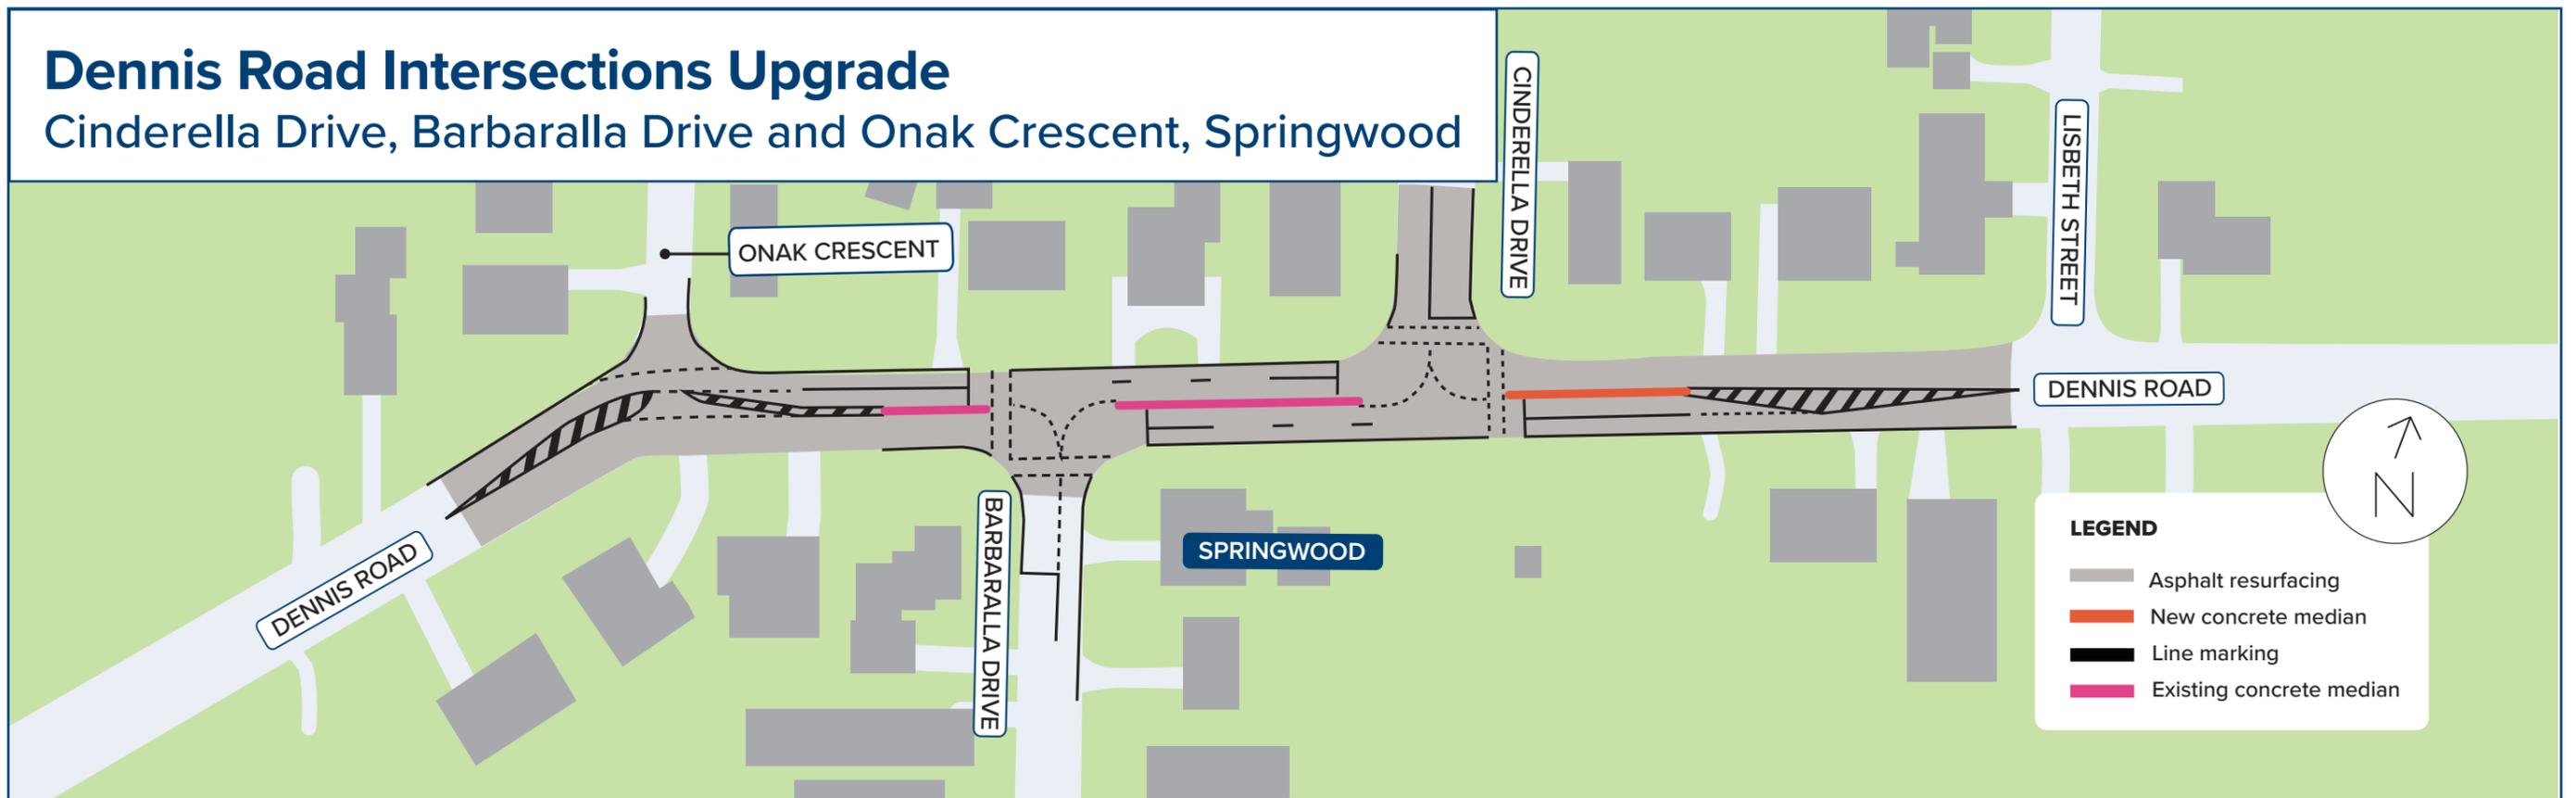

Cinderella Drive Shared Path Upgrade

Springwood Road to Dennis Road, Springwood

Dennis Road Intersections Upgrade

Cinderella Drive, Barbaralla Drive and Onak Crescent, Springwood

When is it happening?

Construction is anticipated to start in late March and be finished by late 2024, construction and weather conditions permitting.

Construction will generally occur between 6 am and 6 pm, Monday to Saturday. Some intermittent night works will also be required at the Dennis Road intersections from 8 pm to 5 am. If works are required outside these hours, nearby residents and businesses will be notified.

Late March 2024	Works scheduled to commence
Late 2024	Anticipated completion

We have appointed BMD Constructions to undertake the works.

What can I expect?

Every effort will be made to minimise disruption. However, some temporary impacts can be expected. Motorists and path users are encouraged to plan their journeys and allow extra travel time.

Temporary impacts

- > Changed traffic conditions including reduced speed limits, road or lane closures and detours
- > Footpath closures and detours
- > Increased noise, dust and vibration
- > Reduced street parking and driveway access

What we are doing

- > Traffic controllers will manage detours and road or lane closures during working hours.
- > Electronic signs will be installed to indicate traffic changes.
- > Affected residents will be notified in advance of changes to parking and driveway access.

Our road network commitment

Ongoing economic growth in Logan and across the region means we need to deliver a sustainable and reliable transport network. These projects are part of Council's substantial investment in roads and transport solutions to keep Logan moving.

With our population set to almost double by 2041, improving our road and active transport network is one of the ways we are unlocking Logan's potential and preparing for the future.

Project funding

The Cinderella Drive Shared Path Upgrade is being delivered under Council's Cycleway Network Program. It is proudly supported by the Queensland Government Cycle Network Local Government Grants Program.

The Dennis Road Intersections Upgrade is funded under Council's Major Roads Intersection Upgrade Program.
