Register of Cost-Recovery Fees 2026/27

Cost-Recovery Fees Section 97 - Local Government Act 2009

97 Cost-recovery fees

- (1) A local government may, under a local law or a resolution, fix a cost-recovery fee.
- (2) A cost-recovery fee is a fee for:
 - (a) an application for the issue or renewal of a licence, permit, Registration or other approval under a Local Government Act (an application fee); or
 - (b) recording a change of ownership of land; or
 - (c) giving information kept under a Local Government Act; or
 - (d) seizing property or animals under a Local Government Act; or
 - (da) doing an activity mentioned in the Planning Act, section 106ZM(1); or
 - (e) the performance of another responsibility imposed on the local government under the Building Act or the Plumbing and Drainage Act.
- (3) A local law or resolution for subsection (2)(d) or (e) must state:
 - (a) the person liable to pay the cost-recovery fee; and
 - (b) the time within which the fee must be paid
- (4) A cost-recovery fee must not be more than the cost to the local government of taking the action for which the fee is charged.
- (5) However, an application fee may also include a tax:
 - (a) in the circumstances and for a purpose prescribed under a Regulation; and
 - (b) if the local government decides, by resolution, that the purpose of the tax benefits its local government area.
- (6) The local law or resolution that fixes an application fee that includes a tax must state the amount, and the purpose, of the tax.
- (7) If an application fee that includes a tax is payable in relation to land, the tax applies only in relation to land that is rateable land.
- (8) A local government may fix a cost-recovery fee by resolution even if the fee had previously been fixed by a local law.

98 Register of cost-recovery fees

- (1) A local government must keep a Register of its cost-recovery fees.
- (2) The Register must state the paragraph of section 97(2) under which the cost-recovery fee is fixed.
- (3) Also, the Register must state:
 - (a) for a cost-recovery fee under section 97(2)(a)—the provision of the Local Government Act under which the licence, permit, Registration or other approval is issued or renewed; or
 - (b) for a cost-recovery fee under section 97(2)(c)—the provision of the Local Government Act under which the information is kept; or
 - (c) for a cost-recovery fee under section 97(2)(d)—the provision of the Local Government Act under which the property or animals are seized; or
 - (d) for a cost-recovery fee under section 97(2)(da)—the activity, mentioned in the Planning Act, section 106ZM(1), to which the fee relates; or
 - (e) for a cost-recovery fee under section 97(2)(e)—the provision of the Building Act or the Plumbing and Drainage Act under which the responsibility is imposed.
- (4) The public may inspect the Register at the local government's public office.

PLEASE NOTE: The cost-recovery fees in this booklet represent the cost-recovery fees set by Council at the date of the budget resolution. Council may alter any of the cost-recovery fees in this booklet by resolution at any time prior to the next budget resolution. The cost-recovery fees in this resolution have been set by reference to specified exemptions from GST determined by the Federal Government under Division 81 of the *A New Tax System (Goods and Services Tax) Act 1999*. Council reserves the right to alter the GST status of any cost-recovery fee in accordance with any changes made to the Division 81 list.

All cost-recovery fees detailed are fixed in accordance with relevant State Government legislation, Council's Local Laws and Council policies.

Animal Care

ADMINISTRATION NOTES

1. Pensioner is defined as per schedule of fees and charges and concession cards recognised and accepted by Logan City Council.
2. No pro rata or pensioner discount applies to Regulated Dog fees.
3. The three-year animal registration only applies to the following registration classes:
 - (a) Entire animal registration (cat or dog)
 - (b) Entire animal registration (cat or dog) - Pensioner
 - (c) Desexed animal registration (cat or dog)
 - (d) Desexed animal registration (cat or dog) - Pensioner
4. Half year and quarter year payment options do not apply to three-year animal registration.
5. Pro rata does not apply to three-year animal registration.
6. Animals (cats or dogs) are only considered 'registered' if payment of the animal registration fee is received / paid in full. The animal (cat or dog) remains 'unregistered' if partial or part payment for the animal registration fee is received / paid. Penalty Infringement Notices will be issued to the owner of any unregistered animal (cat or dog) in accordance with legislation.
7. Refunds do not apply to any animal registration class. This includes if the animal is deceased, has moved out of Logan, has been desexed or has been surrendered by its owner.
8. Owners of aged / elderly entire cats and dogs are eligible to pay the desexed animal registration fee if they provide a verified veterinary certificate stating that the subject animal is unable to reproduce for the remainder of its natural life.
9. Owners of entire cats and dogs that have been diagnosed by a veterinarian as being medically unfit or diagnosed with a health condition that prevents them from being desexed are eligible to pay the desexed animal registration fee upon provision of a verified veterinary certificate that confirms their inability to be desexed. A veterinary certificate must be provided annually (for each subsequent registration period) for the owner to continue to be eligible to receive the animal registration fee discount, or until the health condition is treated and the subject animal can be desexed.
10. Senior Pets for Senior People Program is available to holders of a Federal or State Seniors Card and applies to cats and dogs.
11. In an appropriate case, with the approval of the City Safety & Liveability General Manager or a City Safety & Liveability Manager, animal registration and release fees may be waived or remitted in part by making a written request explaining the extenuating circumstances.
12. Where multiple animal-keeping approvals are active on the same property, only one renewal fee (incorporating an annual inspection) will apply. The amount charged will be the higher amount of any renewal fee.
13. Daily sustenance fees (food, water, vaccination, bathing, cleaning, etc) apply to all impounded animals and are due and payable in addition to any release, microchipping, registration and desexing fees at the time of release.
14. Registration discounts only apply to Members of Recognised Associations who own an entire animal and who are a breed member. Discounts do not apply to Association members who are a community member. There are no additional discounts for desexed animals owned by Members of Recognised Associations. Desexed registration fees apply.

Payment of Fees

All prescribed fees shall be payable at the time of application or lodgement.

Note for Desexing

These fees are unique to cat and dog releases only to assist in the reunification of the animal with their owner/s and are not applicable to other Council promotions and initiatives. Prices may be subject to additional veterinary requirements which will be discussed with the owner prior to surgery following their consent.

Desexing fees for release of impounded and seized cats and dogs (with owner's consent) from 1 July

Prepared in accordance with Section 262(3)(c) of the *Local Government Act 2009*

262 Powers in support of responsibilities

- (1) This section applies if a local government is required or empowered to perform a responsibility under a Local Government Act.
- (2) The local government has the power to do anything that is necessary or convenient for performing the responsibilities.
- (3) The powers include all the powers that an individual may exercise, including for example:
 - (a) power to enter into contracts; and
 - (b) power to acquire, hold, deal with and dispose of property; and
 - (c) power to charge for a service or facility, other than a service or facility for which a cost-recovery fee may be fixed.

PLEASE Note: The cost-recovery fees in this booklet represent the cost-recovery fees set by Council at the date of the budget resolution. Council may alter any of the cost-recovery fees in this booklet by resolution at any time prior to the next budget resolution. The cost-recovery fees in this resolution have been set by reference to specified exemptions from GST determined by the Federal Government under Division 81 of the *A New Tax System (Goods and Services Tax) Act 1999*. Council reserves the right to alter the GST status of any cost-recovery fee in accordance with any changes made to the Division 81 list.

All cost-recovery fees detailed are fixed in accordance with relevant State Government legislation, Council's Local Laws and Council policies.

Parks			
Park Events			
NOTE:			
<ol style="list-style-type: none"> Events conducted in a Council park or reserve for business or promotional purposes are classified as commercial events. This includes events organised by, or on behalf of, a business or entity, where the primary purpose is to generate revenue, promote a brand, product or service, or derive a commercial benefit. Examples include, but are not limited to, markets, fetes, fairs, festivals, carnivals, exhibitions, shows, concerts, circuses and ticketed events. Park event fees do not apply to an individual food truck holding a valid Itinerant Vending (Food) Permit when operating within a Park car park When a food truck is invited to attend a park event, by the event organiser, no park event fee applies to the food truck. The applicable fee is the responsibility of the event organiser. Where multiple activities occur under a single event organiser for a commercial purpose in a park, one fee will be charged based on total estimated attendance. Commercial events will attract a refundable bond. A pro-rata refund may be issued for reoccurring commercial event cancellations at the discretion of either the Parks Operations and Maintenance Manager or the Parks General Manger upon application. Multi-Location Discount – Annual Recurring Commercial Events: Applicants who purchase multiple Annual Recurring Commercial Event Permits for different locations are eligible for a discount. The discount will be calculated at 50% of the lowest Annual Recurring Commercial Event Permit fee category held or applied for by the applicant. All permits after the first are eligible for the discount.
