

2025/26 Application for Residential Driveway (kerb & channel exists on block)

1. Applicant details

Name:			
Address:			
Telephone:		Postcode:	
E-mail:			

2. Site details

Address:			
Suburb:		Postcode:	
Real Property Description:	LOT	PLAN	

3. Criteria for driveway

Description	Yes	No
The driveway is to be constructed with (please select one): - Concrete with a broomed or stencilled finish - Concrete with exposed aggregate - Asphalt surfacing over a compacted road base - Block pavers installed to the manufacturer's standards for vehicular loading.	☐ ☐ ☐ ☐	☐ ☐ ☐ ☐
Is this the only driveway/crossover for this property?	☐	☐
Is the driveway located to provide a clear view of passing pedestrians and vehicles?	☐	☐

PRIVACY COLLECTION NOTICE: Council collects personal information in order to provide services and information. It may be used to update records, contact you about Council businesses and can only be accessed by Councillors, employees and authorised contractors. All information is handled in accordance with Council's Privacy Policy and Procedure. Visit logan.qld.gov.au/privacy

Description	Yes	No
Is the driveway in a location where there is no concrete traffic island, parking bay / pads or double unbroken centre line on the road in front of the driveway?	☐	☐
Is the driveway 600mm clear from the nearest stormwater pit?	☐	☐
Is the driveway 800mm clear from any power or light poles?	☐	☐
Is the driveway in a location where there are no road signs or trees?	☐	☐
Is the driveway at least 6 metres from the tangent point (TP) of an intersection (see Standard Drawing RS-049)	☐	☐
Is the driveway in a location where there are no water meters, fire hydrants or valves in the path of the driveway?	☐	☐
Is the driveway in a location where it will not cover the water supply pipe between the main and the meter?	☐	☐
Is the driveway in a location where there are no sewerage or stormwater manholes in the path of the driveway?	☐	☐
Will the driveway levels match the existing concrete footpaths (if present)?	☐	☐
Is the driveway in a location where it will not be built over a Council easement?	☐	☐
Is the driveway in a location where it will not be within 10m of the approach side of a bus stop?	☐	☐
Is the driveway outside of a prohibited location as shown in IPWEA Standard Drawing number RS-049 (residential driveways plan 1 of 2)?	☐	☐
Will the driveway be constructed in accordance with the appropriate Standard Drawings provided on Council's website (including levels, grades and maximum 5 metre width)?	☐	☐

4. Information to be submitted with application

Description	Yes	No
A sketch or drawing of the proposed driveway/crossover, including details of the vehicular access to be constructed including its design, dimensions, a long section, construction technique and a site plan and specifications of the vehicular access works to be undertaken.	☐	☐
The plan should include the front boundary of the property, the driveway, the kerb and channel, the footpath, public utilities (ie. power poles, Telstra pits, etc), the landscaped area and distance from intersection if on a corner block. It should show the measurements (in millimetres) between these items.	☐	☐
Evidence that you have contacted and received "Dial Before You Dig" service information (provide copies of current service plans).	☐	☐
Details of the person who will be undertaking the vehicular access works, and if works to be undertaken by a contractor a copy of their public liability insurance will be required.	☐	☐
Notation or photograph of any existing damage to the planned works area.	☐	☐

5. Statement

Description	Yes	No
I request permission from Logan City Council to construct a vehicular access to the above premises.	☐	☐
I agree to indemnify Logan City Council against any claims in negligence or breach of contract relating to the vehicular crossover that I construct and maintain.	☐	☐
I acknowledge and accept that Logan City Council or other service provider may remove vehicle crossovers, so they may carry out works in the footpath as the need arises and possibly without warning.	☐	☐
I agree to maintain the vehicular crossover in a safe condition to the satisfaction of the Logan City Council's Road Infrastructure Planning Manager. If I fail to do so or a reasonable objection to the vehicular crossover is raised by others, Council may issue a compliance notice to bring the vehicular access into compliance with Council's standards. Should there be further non-compliance, a Penalty Notice can be issued.	☐	☐

Please note – Your application may be delayed if all ‘*Information to be submitted with application*’ is not attached to this application.
