

# 2025/26 Application for Bulk Bins – Commercial Ratepayers

## Service Information

1,100 litre bins are plastic with wheels. All other bins are metal without wheels. Bulk bins are serviced on property, so access to the bin must be clear.

An officer from Council's Waste branch may inspect to check access and bin placement before the service starts. We will contact you if required.

This application must be accompanied by a signed [road pavement indemnity](#) (on pages 3, 4 and 5).

If we can't provide the service because of any restriction, we will notify you in writing.

## Applicant Details

Date of application

Name of ratepayer

Property address

Phone number

Email address

Bulk waste bins are emptied one day a week. If you require extra collection days in the same week, contact Council on 3412 3412

Bulk recycling bins are emptied one day a week only. Extra service days aren't available.

Real Property  
Description

### Authorisation, indemnity and release

The Owner requests and authorises Logan City Council to arrange for its waste collection contractor to operate waste collection vehicles on internal roadways within the Property for the purpose of providing on-property waste collection services.

The Owner releases and indemnifies Logan City Council and its waste collection contractor from and against any claims or liability arising from any damage to the internal roadways within the Property caused or contributed to by the operation of waste collection vehicles on those internal roadways in connection with the provision of on-property waste collection services.

In the above paragraphs, "internal roadways" means the paved surface of vehicular thoroughfares within the Property including infrastructure such as stormwater grates, manholes, subsurface infrastructure such as pipes and speed bumps but excluding any kerbing or edging marking the border of those thoroughfares.
