Guidelines

Message from the Mayor

The inaugural City of Logan People's Excellence Awards will bring together our sports stars, artists, innovators, volunteers, and environmental champions to honour outstanding achievements across our community.

For a long time, we've been celebrating achievements of our community in separate events, but now we're trying something new and recognising all of Logan's legends side by side.

Here in Logan, we live among some serious superstars.

Year after year, I see us punch above our weight in almost every field.

It feels truly humbling to be among so many inspiring people who make our city great.

When we recognise the achievements of our people together, it reminds us that we all play a part in helping our city succeed.

The awards ceremony is Logan's night of nights: a celebration of excellence in all its forms. It's about more than awards; it's about showing the world what we can do when we stand united.

Let's stand together and celebrate these legends making Logan an amazing place to live and raise a family.

Mayor Jon Raven
Logan City Council
